

Category	Current Policy
Scheduling	Leave 15 min between scans.
Communicating names and arrival/ departure times	Continue to notify Jonathan Cardona 48 hours in advance: Names of all researchers attending the scan, the participant's name, and the name(s) of any companions, and arrival/ departure times.
Masks	Masks are optional for all. Participants' masks should be checked for metal. Metal- free masks are available in the control rooms for participants.
COVID screening	No longer needed. Neither researchers nor participants need green passes or attestation forms.
Escorting	Participants still must be escorted by the researcher at all times in JLGSC.
Cleaning	Continue to clean surfaces in the MR space after the scan according to the checklist.
